Date	Version	Author & name designation	Summary of main changes
Feb 2014	1.0	Catrin Wilde – HR Business Advisor	First version. Strategic Partnership Forum – 28th February 2014 and Integrated Governance Committee – 25th June 2014
Jan 2017	2.0	Stephanie Spencer – HR Business Advisor	Review and update of policy. Values and behaviours statement added. Equality and diversity statement added. Clarification added regarding paid special leave. Update to bereavement leave.
Feb 2019	3.0	Stephanie Spencer – HR Business Advisor	Parental leave added from Maternity/Maternity Support (Paternity)/ Adoption Leave Policy
Nov 2021	4.0	Gina Amato – Assistant HR Advisor	Foster/guardianship leave added. Review and update regarding Carers Leave. Review of adhoc leave. Addition of Fertility Leave added. Parental Leave terms amended.
April 2024	4.1	Emma Dunroe – Senior HR Business Advisor	Update to statutory entitlement for Carers leave in line with recent legalisation
May 2025	4.2	Stephanie Robinson – Associate HR Business Partner	Full review, no changes. Moved into new Trust template.
March 2026	4.3	Sophie Favager, Equality, Diversion and Inclusion Officer	Review of the training for reservists and cadet force adult volunteers leave section.

1.0 INTRODUCTION

- 1.1 The Clatterbridge Cancer Centre (CCC) recognises that employees need to be able to balance the demands of domestic and work responsibilities at times of urgent and unforeseen circumstances. Leave that is granted under these arrangements is intended to meet short term domestic and personal needs. Longer term domestic and family situations will be provided for in other ways such as through annual leave, unpaid leave, reduced working hours etc. CCC also recognises the role its staff play in the community and its legal obligations.
- 1.2 In line with the Equality Act 2010, CCC is committed to implementing the policy in a way which promotes the fair and equal treatment of all employees and eliminates discrimination on the grounds of race, disability, gender, gender reassignment, age, sexual orientation, religion and belief, marriage or civil partnerships. It is the responsibility of managers and employees to ensure that they implement this policy/procedure in a manner that recognises and respects the diversity of the workforce and the different needs of all employees. The Trust recognises the right of all employees subject to this policy to be treated fairly and with dignity and respect.
- 1.3 **Equality, Diversity and Human Right Statement**
The Trust is committed to an environment that promotes equality and embraces diversity in its performance as a service provider. It will adhere to legal and performance requirements and will mainstream Equality, Diversity and Human Rights principles through its policies, procedures and processes. This policy should be implemented with due regard to this commitment.
- 1.4 **Trust Mission and Values**
The Trust's values support our mission to drive improved outcomes and experience through our unique network of specialist cancer care across Cheshire and Merseyside.
- 1.5 Our values were co-created by our people and form the foundation of our culture, our ethos and how we work every day. They define how we work to deliver the best care to our patients and how we make CCC the best place to work.

We are:

- Kind
 - Empowered
 - Responsible
 - Inclusive
- 1.6 Our values are underpinned by our staff charter which articulates our commitments to each other. These values have been incorporated into the development of this policy.

2.0 PURPOSE

- 2.1 To create a framework within which line managers are able to address individuals' needs to balance their work and personal life in a fair, consistent and supportive manner. Also ensuring that service delivery, clinical standards and health and safety requirements are not compromised nor risks increased to employees, patients or the Trust.
- 2.2 This policy also incorporates your rights as an NHS Employee along with the pledges as detailed in the NHS Terms and Conditions.
- 2.3 Paid special leave is not an entitlement; however, requests for paid special leave will be considered sympathetically in the light of individual circumstances and may be granted at the discretion of CCC. It is important for employees to consider the needs of the service and to make every effort to make alternative arrangements wherever possible.

3.0 SCOPE

- 3.1 This policy applies to all employees of the Trust.

4.0 RESPONSIBILITIES

4.1 Managers

Line Managers' responsibilities include:

- Ensuring that they are aware of and understand the content of this policy and its implementation.
- Ensure that there is a clear departmental procedure for the booking and authorisation of all types of leave.
- Ensuring that all employees in their area of responsibility are aware of and understand this policy and procedures contained within.
- Keeping records of all absences pertaining to this policy including notifying the Workforce & Organisational Development (OD) department of all absences via the appropriate application forms and through input into the Electronic Staff Record (ESR) as appropriate.
- Explaining the implications where pay and/or other benefits may be affected as a result of an individual realising any of the benefits of this policy and ensuring that this is fully understood and agreed by the individual.
- Maintaining confidentiality with regards to personal information.
- Seeking advice from the HR Business Partnering team where the line manager feels additional support would be beneficial.
- Directing employees to appropriate help and support where appropriate.
- Using the tools within the Stress Management Policy together with individuals as soon as there is any concern by either party that the balance between their work commitments and personal circumstances is causing them to feel stressed.

- Maintaining contact with employees during any absences, which may include home visits, and offering support appropriate to the circumstances.
- Ensuring all employees are treated fairly and consistently.

4.2 Employee

Employee's responsibilities include:

- Being aware of, understanding and adhering to this policy.
- Following the Trust's procedures in applying for leave to support personal life.
- Informing their line manager as soon as possible and keeping them updated regularly about time taken to deal with an emergency.
- Raising with their line manager any concerns they have about being able to effectively manage balancing work commitments and personal circumstances especially if they believe that their work/ personal life balance is causing them to feel stressed.
- Maintaining contact with their line manager during periods of absence as appropriate.

4.3 Workforce & OD Department

The responsibilities of the Workforce & OD department include:

- Providing advice to employees and managers on the application of this policy.
- Ensuring the Trust complies with current employment legislation.
- Providing appropriate training for line managers in the use of this and associated policies.
- Ensuring a consistent and equitable approach is maintained across the Trust.

5.0 LAW & REGULATIONS

5.1 This policy meets the requirements of the following pieces of legislation:

- The Employment Rights Act (1996)
- The Maternity and Parental Leave etc. Regulations (1999)
- The Maternity and Parental Leave (Amendment) Regulations (2001)
- The Maternity and Parental Leave etc. and the Paternity and Adoption Leave (Amendment) Regulations (2008)
- The Flexible Working (Procedural Requirements) Regulations (2002) and its amendments
- The Flexible Working (Eligibility, Complaints and Remedies) Regulations (2010) and its amendments
- ACAS (Flexible Working) Arbitration Scheme (England and Wales) Order (2003)
- Part-time Work Regulations (2000)
- Equality Act (2010)
- Employment Relations Act (1999)

- Fraud Act (2006)

6.0 DEFINITIONS

Terminology / Reference	Explanation
Disabled child	A child under the age of 18 who is considered to be disabled if they have significant problems with communication, comprehension, vision, hearing or physical functioning. Entitled to a disability living allowance within the meaning of Section 71 of the Social Security Contributions and Benefits Act 1992
Employer	The person by whom an employee is employed
Partner	A spouse, civil partner, or a partner (whether same or opposite sex),
Relative	Parents, parents-in-law, adult children, adopted adult children, siblings (including those who are in-laws), uncles, aunts, grandparents and step relatives or is someone who relies on the employee in a particular emergency.
Dependant	A spouse, civil partner, or a partner (whether same or opposite sex), parent, child or any other person who lives in the same household as the employee but is not a lodger, employee or boarder.

7.0 TYPES OF LEAVE

7.1 Emergency Domestic Leave (Paid)

Paid Emergency Domestic Leave should be considered to help employees deal with domestic emergencies e.g. a sudden or severe setback in personal circumstances requiring immediate attention e.g. burglary, fire, floods, where there is a need to find accommodation or to see the police etc. One day paid special leave will be granted in such circumstances and further leave will be granted at the discretion of line managers as annual or unpaid leave.

7.2 Carers Leave (Paid)

In order to request Carers Leave the employee must make the manager aware of their unexpected or sudden problem as soon as reasonably practical on the day that this has occurred e.g.:

- If a dependant has fallen ill or has been injured/assaulted
- To make longer term care arrangements for a dependant who is ill or injured
- To deal with an unexpected disruption or breakdown of care arrangements for a dependant
- To deal with an urgent incident involving a schoolchild during school hours where there is a requirement to attend
- In the consequence of the death of a dependant

- 7.3 A dependent does not always need to be a family member, it can be anyone who relies on them for care, who has;
- a physical or mental illness or injury that means they're expected to need care for more than three months
 - a disability (as defined in the [Equality Act 2010](#))
 - care needs because of their old age.
- 7.4 Where the manager is not available, authority should be sought from the appropriate senior manager. If an application cannot be made in person the employee must contact the manager by telephone at the earliest opportunity.
- 7.5 Paid Carers leave should not normally exceed one day per episode. Staff are entitled to a maximum one working week carers leave in a rolling 12 month period in which 3 days of this is paid (pro rata for part-time staff e.g. if a member of staff works 30 hours per week their entitlement would be $30/37.5 \times 3 \text{ days} = 2.4 \text{ days}$ (18 hours). The leave must be authorised by the employee's line manager.
- 7.6 Paid Carers leave **cannot** be booked in advance. By their very nature, circumstances where the granting of paid carers leave is appropriate will vary considerably and managers should remember that staff may at some point have to leave work with little notice to cope with a sudden crisis.
- 7.7 If an employee is aware that they need to take time off for dependants at a future date they should inform their line manager as soon as reasonably practical. The employee should make reasonable efforts to make arrangements to enable them to attend work.
- 7.8 Paid Carers Leave is not an entitlement and must be authorised by the manager of the member of staff. The manager may reasonably request to meet with the member of staff upon their return to work so as to determine this authorisation. After discussion the manager will inform the employee whether leave can be allocated under this policy.
- 7.9 Where it is anticipated that the dependant is likely to need care for longer than one day, the individual should seek to make alternative arrangements wherever possible, which may include the use of unpaid parental leave, unpaid leave or annual leave and these arrangements should be discussed with their line manager and any arrangements agreed locally depending on individual circumstances.

- 7.10 The carer will be expected to share responsibility with their partner and/or other family members as far as possible or to demonstrate that there is no other individual available at that time to provide the care required.
- 7.11 It is essential that the manager fully understands the individual's circumstances and perspective before granting or denying leave. In the event that leave has been reasonably denied the manager should inform the member of staff in a sensitive and appropriate manner providing a full explanation for this at the earliest opportunity to mitigate or avoid the effect of the member of staff feeling aggrieved and unsupported.
- 7.12 **Longer-term Commitments to Caring**
If it is envisaged that a period of caring will last for an extended period of time, then the member of staff may be able to take a longer period of unpaid leave.
- 7.13 Employees may also agree to a flexible working arrangement with their manager on a temporary basis enabling them to balance their profession and caring responsibilities.
- 7.14 Any reduction in hours will result in a pro rata reduction of pay accordingly. The decision as to whether such arrangements can be agreed rests with the relevant manager in light of the overall needs of the service. In addition, a member of staff may wish to seek advice from the HR Business Partnering team who can provide information and guidance on where to seek alternative measures of support from other agencies.
- 7.15 For further information on flexible working, see the Trust's flexible working policy and procedure.
- 7.16 **Carers Leave (Unpaid)**
Staff who request Carer's Leave will be granted one day to allow care to be provided, and to ensure sufficient time for alternative arrangements to be made. Any further leave required in an episode will need to be agreed at the line manager's discretion and would ordinarily utilise unpaid leave or annual leave. A full day's leave may not be necessary in all cases and staff are expected to return to work at the earliest opportunity, potentially later the same day.
- 7.17 **Bereavement Leave (Paid)**
It is the responsibility of managers to respond with compassion to the granting of leave under these circumstances. The length of time-off needed will be agreed by the member of staff and their manager locally in accordance with their situation.
- 7.18 One day paid leave will be given to attend the funeral of a member of staff's immediate family members e.g. parents, siblings, spouses and children and with up to 5 days paid leave (pro rata for part time staff) will be given depending on individual circumstances such as responsibility for funeral arrangements or travel requirements or applying for probate or being interviewed by the probate office. All such leave must be recorded on ESR. Any further advice should be sought from the HR Business Partnering team.

- 7.19 Employees are to be paid bereavement/compassionate leave including for funeral/memorial services taking into account all religious or belief obligations. This should be used in conjunction with other relevant policies for example sickness absence and flexible working.
- 7.20 **Jury Service (Paid)**
Staff may be required to attend Court for service as a Juror. Whilst there is no legal requirement for the Trust to pay employees who are undertaking Court Service, the Trust will grant full pay for their contracted hours for the duration of jury service less loss of earnings and/or certain expenses that can be claimed from the HM Court Service.
- 7.21 **Requesting Leave**
A member of staff receiving a notification of attendance to serve at a Court should advise their manager of the situation immediately, providing official evidence of the requirement for them to attend on the dates concerned.
- 7.22 The Trust should not apply improper pressure on a member of staff not to serve as a Juror as they could be committing the offence of contempt of court. There may be occasions however where the Trust may make a request to the Court appealing for the Jury Service to be postponed should their absence be detrimental to the service and patient care.
- 7.23 **Record keeping**
Employees who are required to attend Jury Service are issued with a "Certificate of Loss of Earnings". The form should be completed by the Trust's payroll provider.. At the end of the Jury Service the employee is issued with a statement detailing amounts paid in respect of loss of earnings, this should be sent to payroll within 4 weeks. The amount detailed under loss of earnings will be deducted from employees pay in the following month.
- 7.24 If the statement is not issued to payroll within 4 weeks, the payroll provider will automatically deduct an amount equivalent to the limits as stated by the Court Service.
- 7.25 In granting full pay, the member of staff will be expected to attend for work as normal if not required by the Court. The member of staff should advise their manager if they are not required. If on any day during the period of jury service the member of staff is released early, they must make every effort to attend work on that day. If in doubt, they should telephone their manager for guidance.
- 7.26 **Court/ Tribunal Summons (Unpaid)**
If a member of staff is asked to attend Court or Tribunal as a character witness, they should notify their manager immediately. Staff will be given unpaid leave to attend. They will be required to provide their manager with a copy of the relevant notification before their attendance is approved. The claim for loss of earnings would need to be submitted to the relevant solicitor, and would not be paid by the Trust. If on any day during the period of civic service the member of staff is released

early, they must make every effort to attend work on that day. If in doubt, they should contact their manager for guidance.

7.27 Leave for Local Government Activities (Unpaid)

As the bodies constituted under the National Health Service and Health Services Acts are not directly related to local government there is no objection, as a general rule, to Trust employees contesting local elections or taking part in local government activities. This is providing that, in the discharge of any local government functions that impinge on the services for which the Trust is responsible, employees have due regard to any potential conflict of interest that may arise.

7.28 Employees should seek the consent of the Trust before standing for election. Consent will not normally be withheld.

7.29 Employees may, at the discretion of the Trust, and subject to the needs of the service, be granted up to **five days unpaid leave per annum** (pro rata for part time staff) for the purpose of attending local government meetings and carrying out their duties as a local government member. In circumstances where employees require longer than five days, this should be discussed with the relevant line manager and a member of the HR Business Support Team.

7.30 Leave to carry out duties as a Justice of the Peace or a member of a statutory tribunal panel (Unpaid)

Leave may be granted up to a **maximum of thirteen days per annum** at the discretion of the Trust and subject to the needs of the service. Leave may be taken in days or half-days as required. 5 days will granted as paid leave and the remainder will be granted as either **annual** or **unpaid** leave.

7.31 Leave to attend Governing Bodies of Educational Establishments (Unpaid)

Leave may be granted up to a **maximum of 5 days** per annum at the discretion of the Trust and subject to the needs of the service. Leave may be taken in days or half-days as required.

7.32 This time is to be taken as either **annual** or **unpaid leave**. Leave may be granted up to a **maximum of 5 days leave** per annum at the discretion of the trust and subject to the needs of the service. Leave may be taken in days or half-days as required.

7.33 Training for Reservists and Cadet Force Adult Volunteers (Paid)

The Trust recognises and supports employees who serve as Reservists or Cadet Force Adult Volunteers (CFAVs). Wherever possible, the Trust will grant 10 days' paid leave over the annual leave year for Reservists and CFAVs to attend required training activities, including annual training commitments such as Annual Continuous Training (ACT). Employees must provide reasonable notice when requesting leave and submit official confirmation of training requirements.

7.34 Discussing Duties With Line Managers

Before undertaking Reservist or CFAV duties, employees must discuss the practicalities with their line manager to ensure operational needs can be maintained. Employees should only proceed with these commitments once agreement has been reached.

7.35 Arranging Training and Requesting Leave

Wherever possible, Reservist and CFAV training commitments should be arranged outside normal working hours. Where this is not possible, employees must provide official notification when requesting leave so that appropriate planning and cover arrangements can be made.

7.36 Active military service (reserve forces) (Unpaid)

Where employees who are members of the Reserve Forces are mobilised for active military service, the Trust will grant unpaid leave for the duration of that mobilisation. No employee will be disadvantaged, dismissed, or subject to detriment as a result of being a Reservist or being called up for active duty. In exceptional circumstances, where mobilisation would significantly affect service delivery or patient care, the Trust may apply for deferral or exemption in line with national arrangements.

7.37 Returning to Work Following Mobilisation

Wherever possible, employees will return to their substantive post following active military service. If this is not possible, they will return to the most suitable alternative role on equivalent terms and conditions. While mobilisation does not break employment, the period away does not count toward continuous service for annual leave purposes. Employees wishing to maintain pension continuity should contact the Pensions Department for guidance. The Trust will ensure an appropriate return-to-work discussion and provide any required support or re-induction following demobilisation.

7.38 Other civic/public duties (Unpaid)

Leave under this section applies to staff who are members of:

A local authority

A police authority

A board of prison visitors or a prison visiting committee

An educational body e.g. school of governors

Regulatory Bodies e.g. CQC

7.39 Employees carrying out public duties have a statutory right to reasonable time off in order to fulfil their duties. Nevertheless, it is still necessary that a request for time off in these circumstances be agreed with the manager as far in advance as possible to minimise disruption to service delivery.

7.40 Where an employee is considering putting themselves forward for civic or public duties they must discuss this with their manager so that consideration can be given to the likely impact on services. The member of staff will be asked to provide an assessment of the time off required during the forthcoming year. Agreement to undertake these duties will not be unreasonably withheld.

- 7.41 Whenever possible, public duties should be undertaken outside of the individual's normal working hours.
- 7.42 If staff are not paid for their civil/public duties, up to 5 days' annual /unpaid leave may be granted in any 12 month period. If further leave is requested the line manager may grant another 5 days unpaid leave (if this meets service needs).
- 7.43 Formal notification confirming the time off required should be presented to the line manager when time off is requested.
- 7.44 **Inclement Weather (inclement weather preventing attendance at work)**
This leave applies to situations where inclement weather or other unforeseen circumstances prevents an individual's ability to travel to or from work.
- 7.45 Wherever possible, arrangements should be agreed for an individual to work from a different base or from home. Alternatively it may be possible to agree with the line manager to work back the hours at a later date (i.e. owe some hours) or use annual leave.
- 7.46 Unpaid leave can be granted if no other arrangements can be agreed.
- 7.47 **Fostering/ Guardianship Leave**
The Trust recognises that taking on the responsibility of being a foster carer can be as life changing as adoption, therefore reasonable time off will be given. Each case will be considered individually.
- 7.48 As fostering can be for varying lengths of time, a flexible approach will be taken by the Trust. Employees should, therefore, discuss their intention to foster with their line manager at the earliest opportunity in order to identify a level of support that is appropriate to their circumstances.
- 7.49 For very short term fostering it would be more appropriate to consider time off utilising unpaid leave and annual leave entitlement.
- 7.50 For longer term fostering, managers should consider being flexible in offering temporary or permanent flexible working arrangements. If the employee needed time away from work the provisions of the Career Break Policy can be considered, however this will not fall under Parental Leave. Each case should be treated individually in line with specific requirements.
- 7.51 **Leave for Fertility Treatment**
The Trust recognises that fertility treatment involves regular medical appointments. Time off work is likely to be needed for investigative appointments prior to the start of treatment and in the course of treatment. For anyone undergoing IVF for example both male and female employees involved in IVF are likely to need time off. Some longer periods of time off will be necessary.

- 7.52 There is no statutory right for an employee to take time off work in connection with infertility investigations or treatment before the stage at which they are pregnant. There may be times in the course of the IVF process for example when the employee is unable to work due to the effects of the treatment and is signed off by their doctor. The employer must treat this like sickness absence for any other reason and deal with the employee's entitlement to statutory sick pay and any occupational sick pay in accordance with its normal rules.
- 7.53 Employee's undergoing treatment or supporting their partners undergoing treatment will be entitled to paid time off, up to a maximum of three days in any rolling twelve months period to attend appointments and treatment (pro rata for part time staff).
- 7.54 Staff must give their manager advanced notice and evidence of all fertility appointments.
- 7.55 It is recognised that further time off may be required and in this event staff should have an early discussion with their manager to discuss the options of using annual leave, making up time, unpaid leave etc.
- 7.56 Any sickness or ill health resulting from the treatment will be treated in accordance with the Attendance Management policy.
- 7.57 **Parental Leave (Unpaid)**
The Trust recognises the need to provide a working environment where its employees can balance the demands of domestic and work responsibilities during periods when they are faced with personal matters which require their absence from work.
- 7.58 **Definition of Parental Leave**
An employee who satisfies the qualifying conditions set out in paragraph 8.1 below will be entitled to take unpaid parental leave for the purpose of caring for a child, i.e. to look after a child or to make arrangements for the good of the child. This could, for example, include settling a child in at a new school or playgroup. This leave is in addition to any entitlement to maternity leave or maternity support / paternity leave.
- 7.59 **Who qualifies for Parental Leave**
An employee has the right to be absent from work on unpaid parental leave if:
- They are the parent (named on the birth certificate), or they are the child's adoptive parent of a disabled child the right to take the leave lasts until the child's 18th birthday.
 - They have a nominated caring responsibility for a child under the age of 18.
 - Employers can extend parental leave to those groups who aren't eligible. For individual circumstances please seek advice from a member of the HR Business Partnering team'.
- 7.60 **Period of Leave**
Employees are limited to taking 4 weeks parental leave maximum a year. Leave arrangements will be as flexible as possible depending on an employee's

circumstances. A week equals the length of time an employee normally works over 7 days.

- 7.61 An employee is entitled to take 18 weeks unpaid leave in total for each child up to their 18th birthday. This applies to each child, not to an individual's job. A week's leave is classed as the employee's normal working week.
- 7.62 **Terms and Conditions during Parental Leave**
The employee will remain employed during the parental leave period but will not receive remuneration. All other contractual rights shall be retained as if the employee had remained at work.
- 7.63 If the period of absence is 4 weeks or less the employee is entitled to return to the same job as before.
- 7.64 **Procedure**
The employee must produce evidence of their responsibility for the child and the age of the child. If the child is disabled the employee must produce evidence of the award of disability living allowance.
- 7.65 A minimum of at least 4 weeks' notice of requests for leave must be given although applications for leave may be considered if employees are unable to give this notice due to personal circumstances.
- 7.66 The Trust has the right to postpone the leave for up to a maximum of 6 months from the date that the employee wished to take the leave if it is felt that the absence would unduly disrupt the service.
- 7.67 **Application Process**
All applications for parental leave must be made on the Trust's Special Leave form and countersigned by the line manager. A copy of the completed form should be forward on to the Workforce & OD Department for processing. The form can be found on the intranet.

8.0 AUDIT & FRAUD

- 8.1 This policy will be audited for consistency of approach to prevent misuse of the policy by staff and by managers.
- 8.2 The Trust is committed to maintaining a culture of integrity, openness and honesty. It is therefore also committed to the elimination of any fraud, bribery or corruption within the Trust and to the rigorous investigation of any such cases.

The Trust's Anti-Fraud Bribery and Corruption Policy outlines the definition of fraud, bribery and corruption and provides guidance for employees who have any suspicions or concerns. An example of fraud is the misuse of special leave i.e. falsely claiming carer's leave or lying about a bereavement.

In all instances where there is a suspicion of falsely claimed special leave, the Trust's Local Counter Fraud Specialist has a responsibility to investigate. All documentation relating to an employee's special leave may be used as evidence in the event of an investigation.

Under the Fraud Act 2006, a person convicted of fraud may receive a custodial sentence of up to 10 years and/or a fine. Other potential consequences include Trust disciplinary sanctions (such as dismissal for gross misconduct), regulatory body sanctions (if the staff individual involved is a member of a regulatory body) and a requirement for the monies defrauded to be repaid in full.

To report any suspicions or concerns, please contact the Trust's Local Counter Fraud Specialist, Phillip Leong at Phillip.leong@miaa.nhs.uk or, alternatively, please contact the national Fraud and Corruption Reporting Line 0800 028 4060 (online at <https://cfa.nhs.uk/reportfraud>).

9.0 TRAINING

Guidance documents on inputting special leave into ESR and eRoster are available on the Trust intranet.

Any member of staff who has queries regarding the content of this policy, or requires further advice or support, should contact the HR Team (ccf-tr.hrccc@nhs.net).
